

Planning and costing

Fresh

- Create your own recipes and menus.
- View a variety of costs for the recipe or menu.
- Adjust the number of servings or price for recipes and menus to obtain a cost or sale price per serve/ gross margin.
- Recipes can include utilities or labour costs which can be factored into the equation.

Online payment

- Fully secure credit card account payment facility.
- Allocate the payment according to your latest statement.
- Access to payment history and reporting reconciliation.
- Other automated payment options available through Bidvest:
 - Direct Debit (contact your local branch for more details)
 - BPAY (check your invoice for details)

Multi-warehouse login

- Link your fresh, foodservice and hospitality accounts to view them via one login ID.
- Switch between warehouses and accounts to display all information.
- Product information, order forms, transaction history and previous purchases will be relevant to the selected warehouse.
- Create a single order basket of fresh, foodservice and hospitality products, which when submitted will be separated out and sent to the appropriate warehouses.
- Multi-warehouse link available upon request.
Send an email with fresh, foodservice and hospitality account numbers to ecommerce@bidvest.com.au

The logo for findfreshfast.com.au features the text 'findfreshfast.com.au' in a bold, sans-serif font. 'find' is in green, 'fresh' is in blue, and 'fast.com.au' is in black. To the left of the text is a green graphic element consisting of several horizontal lines of varying lengths, creating a sense of motion or a stylized 'f'.

Click 'Register Here', complete the form and submit it to Bidvest to enable your account.
For more information contact your local branch, or email ecommerce@bidvest.com.au
